## **BR-5148 TARA CHAIR**

Tara is the idea behind a design project that aims to enhance the bone structure of the chair in order to highlight this decorative and distinctive element. As the bones support the body so does the wood structure of this chair. It's minimal and iconic design becomes the stylistic feature of the chair.

### **Dimensions**

22.75"W x 21.75"D x 31"H, 19"SH

**Yardage:** 2
